## Pre-bidding Instructions for guests unable to make it to our event

Please have a look at all of the auction items that are contained in this booklet. They represent the live auction items that will be bid on at the 2022 Variety Gold Heart Gala held on the evening of May 7th at the RBC Convention Centre in Winnipeg, Manitoba.

Proceeds from the event including the winning bids from all auctions support the life-changing solutions provided to children by Variety, the Children's Charity of Manitoba.

If you wish to make a pre-bid on an item or items, please contact Jeff Liba at:  
1-204-292-9811 or [jliba@varietymanitoba.com](mailto:jliba@varietymanitoba.com).  
Jeff can act as your proxy bidder at the event.

## VARIETY FUND A CHILD Special Needs Program

The equipment and support needs of children living with disabilities are extensive and many things remain uncovered or partially covered by government and healthcare programs. Specialized equipment and services support children to access opportunities, enjoy their rights and actively participate. They are essential in bridging disparities between children with and without disabilities.

Variety's Special Needs Program continues to see growth in the number of children and their families requiring financial support for life-saving, life-changing and life-enriching equipment and services, not covered by any other source.

Your generous donation towards one of these priority areas will enrich the lives of Manitoba's children living with special needs:

<b>\$10,000</b>	Can help purchase an accessible vehicle for a child living with muscular dystrophy
<b>\$5,000</b>	Can help complete a home modification for a child living with spina bifida
<b>\$2,500</b>	Can help a child live with cerebral palsy
<b>\$1,000</b>	Can help purchase a communication device for a child living with autism
<b>\$500</b>	Can help purchase new hearing aids for a child living with hearing loss
<b>\$100</b>	Can help provide a month of music therapy for a child living with Down Syndrome

### Variety's Camp Brereton

Variety's Camp Brereton strives to be an accessible camp for children of all abilities and offers them the opportunity to 'just be kids' every summer. Variety believes the 'camp experience' should be a right for every child to participate in, regardless of ability or socioeconomic status.

Variety's Camp Brereton offers kids opportunities to participate in new activities, create lasting friendships, build self-esteem, independence and experience the feeling of inclusion and acceptance, while keeping active and in tune with nature. Your support will ensure that we can give kids the power to turn challenges into adventures.

<b>\$10,000</b>	Can help send more than 54 children to camp for a week
<b>\$5,000</b>	Can help send more than 27 children to camp for a week
<b>\$2,500</b>	Can help send more than 13 children to camp for a week
<b>\$1,000</b>	Can help send more than 5 children to camp for a week
<b>\$500</b>	Can help send more than 2 children to camp for a week
<b>\$100</b>	Can help send 1 child to camp for a week

#### Camp Brereton Fully Accessible Washroom and Shower Project

Children that visit Variety's Camp Brereton each year make lasting memories and create lifelong friendships. Although our camp strives to be a fully accessible site, our main washroom and shower facility is old, falling apart and not accessible. Currently, the Camp Brereton site does not have the capacity to welcome many children requiring mobility support. If we want to provide an inclusive camp experience for all children, the main washroom facility must become fully accessible.

Since our camper cabins do not include on site washrooms, constructing the new building close to where campers reside will improve accessibility for children at camp. The improved building design will increase inclusion by having all restrooms accessible and non-accessible in the same space. More useful space is created by simplifying and combining male and female areas, increasing capacity to access washrooms and showers for all campers.
