SPONSOR WINNIPEG VOLT HOCKEY

Winnipeg VOLT Hockey is an inclusive sport that moves children with intellectual and mobility disabilities from the sideline and into the game.

WWW.VARIETYMANITOBA.COM

WHAT IS WINNIPEG VOLT HOCKEY?

Volt Hockey is an adaptive sports program designed to make hockey accessible to individuals with disabilities. Volt is a unique adaptation to the sport of hockey as it allows participants who have more complex needs – particularly those with limited upper mobility, to be able to play the sport that extends beyond other adaptive variations of hockey today. This adaptive sport allows individuals with various mobility challenges to experience the excitement and camaraderie of hockey, fostering inclusivity and providing an avenue for physical activity.

THE GAME

Volt is played as a 3 vs 3 game on an indoor gym or court using specially designed hockey sport chairs. This allows virtually any person living with mobility limitations the ability to play the sport of hockey independently.

THE CHAIR

Volt is played in a specially designed electric sport chair with multiple speeds that is operated with a joystick. With a low center of gravity and hockey blade attached to the chair. The chair comes in three fully modifiable sizes, depending on the height of the player.

INCLUSIVITY

Volt Hockey allows everyone to be apart of the team! Participants, regardless of their level of mobility, find themselves part of a community where differences are celebrated, and everyone's unique strengths contribute to the collective success of the team. We believe that every child should have an opportunity to play sports regardless of what their disability may be.

**Winnipeg VOLT Hockey takes place on Sundays at
Dakota Community Centre - Fieldhouse
from 4:00 pm - 6:00 pm.**

SPONSOR WINNIPEG VOLT HOCKEY

A specialty designed motorized cart allows participants to play an adaptive sport with their peers while working on social skills in an inclusive team environment. Winnipeg VOLT Hockey is run strictly by volunteers, meaning that every dollar raised is given back to the organization to help enrich the lives of our participants. The money raised helps keep the programs running at zero costs to the families and participants.
