What is Variety's Winter Wonderland?

Variety, the Children's Charity of Manitoba knows first-hand how the holiday season can be an incredibly stressful time of the year for families experiencing economic disadvantage. This is why we created our annual Winter Wonderland event – A Variety Holiday Celebration - which provides a meaningful outing for children in our community living in situations of economic disadvantage.

Winter Wonderland includes a nutritious hot meal, "Winter Wonderland" themed décor, holiday entertainment, caroling, a visit from Santa, plus every child receives a gift bag. These gift bags are filled with toys, snacks, and useful items including toques, mitts and toothbrushes. This year's event is tentatively set to take place the week of November 18th, 2024.

We partner with inner-city elementary schools to provide children this wonderful opportunity each year. Variety holds this event annually thanks to the support of numerous sponsors and donors who contribute financially, and/or donate resources and their time. Donated food products, toys, winter gear, and discounted entertainment (magicians, face painting, and carolers) ensures this event can happen with no costs to the schools, the kids or their families. Since Louis Trepel's inception of the event in 2017, Variety Manitoba has grown the reach of Winter Wonderland, helping over 1,100 children last year.

Sadly, many of the children attending Winter Wonderland will not receive a gift or a warm meal, during the holiday season. By helping to give children this experience of joy, their spirits are brightened, and they know just how much they matter, regardless of their circumstances.

With everyone's help, we can support these children and make them feel special each year! Please join us by sponsoring this event, and help us give these children a meaningful experience that will be remembered for years to come.
